

## Lunch Arrangements- COVID 19

All pupils strongly encouraged to bring a break and packed lunch to school. This is to assist in restricting contact between children and adults.

### Years 8-10

Pupils may request hot food and can select from a limited hot food menu. Form tutors will take pupils' orders (sheet provided) at registration in the morning. This will be passed to the canteen by 9:15am.

Prepared food will be taken to each respective classroom during period 6. Pupils will eat lunch in the classrooms. The assembly hall will be divided into two sections should additional rooms be required.
