

Major Topic	Waste/Recycling					
Challenge/problem statement/opportunity	Lisneal College are trying to become less wasteful. We are aiming to become more resource efficient through reducing, reusing, and recycling.		Finance required			
			Extended schools' money through the Geography Department. Donations from the Technology Department.			
Planned Outcomes	Actions that will help achieve the outcome	Who is responsible for completing/ coordinating this?	Progress review: when/who/amendments	Did you meet the planned outcomes? Give examples.	What improvements could be made in future? Give examples.	Final Date for completion
<b>New Outcome 1:</b>  Lisneal College will reduce the number of water bottles going to landfill.	<p>Eco-Committee to deliver a talk to each form class on recycling.</p> <p>New recycling bins for bottles, paper, general recycling and non-recycling to be labelled and delivered to the top corridor in school.</p> <p>All students in year 8 to be gifted a water bottle from NI Water.</p> <p>Recycling week competition.</p>	<p>Eco-Committee.</p> <p>Mrs Mullan to order bins.</p> <p>Eco-Committee to deliver bins.</p> <p>Miss Mitchell to arrange.</p> <p>Eco-Committee.</p>	<p>The Eco-Committee will buy new recycling bins for the top corridor in school and will deliver them in 2023 to classrooms.</p> <p>The Eco-Committee will design the labels for these bins and will give a talk on recycling to each form class in January 2023.</p> <p>After the talk in form class, all year 8 students will be gifted a water bottle from NI Water. The Eco-Committee will sort the bottles and distribute.</p> <p>All of KS3 students will take part in a recycling competition. The Eco-Committee will pick winners who will be awarded with prizes.</p>	<p>All classrooms in the top corridor were successfully gifted new recycling bins. Teachers were made aware of an 'ink' and 'batteries' bin. All students in year 8 were given a reusable bottle. All KS3 students took part in recycling competition.</p>	<p>Designing the labels for the bin could be a whole school competition.</p> <p>All classrooms to get paper and bottle bins.</p> <p>Centralised refill water station in school.</p>	Jan 2023
<b>New Outcome 2:</b>  The Eco-Committee will create a project through reusing bottle tops.	<p>Design an image which represents all aspects of school life at Lisneal College through whole school Art &amp; Geography competition.</p> <p>Order resources for completing project.</p> <p>Whole school and community collection of bottle tops to complete project with the aim of 'reusing'.</p>	<p>Whole school KS3 students.</p> <p>Miss Mitchell.</p> <p>Whole school and wider community.</p>	<p>Art and Geography Departments will set a project which will be designing an image to represent life at Lisneal College. It will include the curriculum, extra-curricular and the aims of the school.</p> <p>The paint and resources will be ordered using the extended schools money from the Geography Department.</p> <p>The Technology Department will prepare the wood and materials needed for the project.</p> <p>The Art Department will help to trace the design to size.</p> <p>The Eco-Committee will paint the wood and then glue the bottle tops to create their mural.</p>	<p>There were multiple winners from the competition and their designs were collated. All three departments came together to help the Eco-Committee with the project. The whole school and wider community collected bottle tops over a full year to complete the project.</p>	<p>Have a designated area in school where the Eco-Committee could work on the project without interrupting lessons.</p> <p>Drill the bottle tops on instead of using a hot glue gun.</p>	June 2023

<p><b>New Outcome 3:</b></p> <p><b>Lisneal College will create a uniform bank and then hold a 'Preloved Uniform Sale'.</b></p>	<p>Appeal to parents, students and the community to donate pre-loved uniforms.</p> <p>Create a 'donation station' in school.</p> <p>Wash, Iron and prepare the uniforms.</p> <p>Hold a uniform sale.</p>	<p>Miss Mitchell to arrange appeal.</p> <p>Parents, pupils and community to donate.</p> <p>Eco-Committee sale.</p>	<p>Use social media to encourage parents and pupils to donate uniforms in good condition.</p> <p>Create a donation station with manikins and bins to leave the uniforms.</p> <p>H.E Department to wash and prepare the uniforms in school.</p> <p>Eco-Committee to set up uniform sale.</p> <p>Miss Mitchell and Mrs Mullan to hold uniform sale to ensure confidentiality.</p>	<p>Students liked being able to drop uniforms off anonymously. The HE department prepared the uniforms, so they were neat and clean. Parents who used the sale voluntarily donated money towards the Eco-Committee.</p>	<p>Encourage early donations of uniforms.</p> <p>Senior members to hold day-time sale and staff to hold a night sale to accommodate working parents.</p> <p>Extend and create a swap shop within school.</p>	<p>June 2023</p> <p>June 2024</p>
<p><b>Fixed Outcome 4:</b></p> <p><b>Effective teaching and learning across key stages</b></p>	<p>Teaching resources on recycling to each form class.</p>	<p>Miss Mitchell to send to each form teacher.</p>	<p>Eco-Committee to complete talk to each form class on recycling.</p> <p>Form Teachers asked to talk about recycling in form time.</p> <p>Recycling unit of work in geography scheme.</p> <p>Cross-curricular involvement through recycling projects.</p>	<p>Students were made aware of recycling. All students got involved and collected bottle tops for the project. Students actively using the correct bins.</p>	<p>Students could be sent a document on recycling.</p> <p>Students could be reminded in assembly.</p>	<p>June 2023</p> <p>June 2024</p>
<p><b>Fixed Outcome 5:</b></p> <p><b>Measure impact-collect data</b></p>	<p>Count of bins to be delivered.</p> <p>Count of water bottles distributed.</p> <p>Number of families helped through uniform sale.</p>	<p>Mrs Mullan.</p> <p>Miss Mitchell.</p> <p>Miss Mitchell.</p>	<p>Eco-Committee to collect quantitative data on activities completed.</p>	<p>Students kept a record of how many bins and in what room. They also counted the number of water bottles saved from landfill.</p>	<p>Students could monitor how much material is recycled in total.</p>	<p>June 2023</p> <p>June 2024</p>
<p><b>Fixed Outcome 6: Inform and involve school community e.g. pupils, staff, parents, wider community etc.</b></p>	<p>Social media post on Facebook.</p> <p>Shared on school website.</p> <p>Displayed on school noticeboard.</p>	<p>Miss Mitchell to send information to Mr Martin.</p> <p>Eco Committee.</p>	<p>Miss Mitchell to take photographs and write up each activity.</p> <p>Miss Mitchell will share the Eco-Committee's success on social media and update the notice board.</p> <p>Mr Martin will update it on the school's website.</p>	<p>Everyone is kept up to date on the Eco-Committee's action and therefore gain more support.</p>	<p>Develop an online newsletter to send out.</p>	<p>June 2023</p> <p>June 2024</p>
