SUMMER UNIFORM

Dear Parents/Carers,

I am sure we have all enjoyed seeing some sunshine this week and the signs that spring is indeed upon us. With this in mind, I wish to make you aware of our plans for the summer uniform in 2025.

This year we will be introducing a summer uniform for our boys. After consultation with our student council it has been agreed that our boys will be permitted to wear a white polo shirt with no tie. Please note, these shirts must be non-branded, plain white polo shirts.

We are mindful of uniform costs and are therefore not stipulating where these polo shirts must be purchased. However, it is important to note that they must be tucked in at all times, as with the normal school shirt.

The intention is to permit students to begin to wear their summer uniform from 1st April 2025. I am keenly aware that the Easter holidays are late this year and have therefore made the decision to bring the normal arrangements forward to 1st April, prior to the Easter break.

As always, we greatly appreciate the support and cooperation of our parents and carers.

Regards

Mr C Johnston
