2nd September, 2025

Dear Parent/ Guardian,

The Year 12 Parent/Teacher evening will take place on **Monday 15th September, 2025** from 3.30 – 5.30pm. Please be advised that we will open the access gate to the lower back playground for parking from 3.20pm onwards when the buses, taxis and the majority of children have left. We advise parents not to come before this time to avoid unnecessary congestion. As year 12 is such an important time in your child's life, we would really appreciate your attendance at this meeting. It will give you as parents/guardians, the opportunity to meet with subject teachers and discuss how we can all work together effectively to achieve the maximum potential for your son/daughter.

The majority of teachers will be in their own classrooms, however teachers who are normally located in the mobiles will meet with parents in the assembly hall. A list of locations will be provided on arrival. They will discuss progress to date, any issues that may be of concern to you at this point and raise awareness of the short time we have left to make a difference.

I would also like to draw your attention to the details on the back of this letter pertaining to GCSE maths and English support classes we have arranged for our year 12 pupils. These will begin from Monday 16th September and we expect pupils to attend weekly to promote achievement in their upcoming GCSE maths and English modules in November.

We look forward to seeing you at the parents' evening and thank you sincerely for your continuous support.

Kind Regards,

Miss U Bradley
