7<sup>th</sup> January 2026

Dear Parent/ Guardian,

The Year 10 Parent/Teacher and GCSE Options afternoon will take place on **Tuesday 13<sup>th</sup> January** from 12.45-3pm. There will be an introductory talk in the assembly hall for parents at 12.45pm for approximately 15 minutes. Year 10 pupils will get lunch at 12.10pm and meet with parents at 1pm to speak with teachers. As Year 10 is such an important time in your child's life, we would really appreciate your attendance at this meeting. It will give you as parents/guardians, the opportunity to meet with your child's teachers first hand and consider their GCSE option choices. Choosing the right subjects for GCSE study is very important as it can impact on their future career. There will be an opportunity to discuss how we can all work together effectively to achieve the maximum potential for your son/daughter. The careers service will also be available to provide advice, support and guidance.

Home/school links are vital to a child's success in education and we at Lisneal strive to develop that partnership in order to meet the individual needs of every child. The teachers are available to discuss progress, highlight the variety of GCSE options within their subject area and how they can best meet the needs of your child. There will also be the opportunity to discuss any issues that may be of concern to you at this point. We look forward to seeing you there and thank you sincerely for your continuous support.

Kind Regards,

Mrs L Loughery  
Vice Principal
