Dear Parent/Guardian,

The year 11 Parent/Teacher afternoon will take place on **Thursday 5 February from 3:30pm to 5:30pm.**

This meeting will give you, as parents/guardians, the opportunity to meet with subject teachers and discuss how we can work together effectively to help your son/daughter to achieve their full potential in KS4. At this stage some pupils will have received their GCSE Maths module result, so our maths teachers will be able to discuss progress in detail, or any concerns that they may have in this area.

Most subject teachers will be in their own classrooms. However, teachers who are normally located in the mobile classrooms will meet with parents in the Assembly Hall. A list of teacher locations will be provided upon your arrival.

We look forward to seeing you and thank you sincerely for your continued support.

Kind regards,

Miss U Bradley
Head of Senior School
