10th March 2025

Dear Parent/Carer,

Please find attached a timetable of some extra revision sessions for your son/daughter for their upcoming GCE/GCSE examination modules. Several teachers have offered to come into school the first day of the Easter holiday, Monday 30th March and deliver a session to their class in year 11-14.

Please tick the session/s your son/daughter will attend. It will be a very informal day, with students wearing their own clothes and they will have permission to go to the shop during a break if they wish to. It is the responsibility of the parents/students to make their own way to and from school as it is not an obligation to attend. The school canteen and bus service will not be operational on this day.

We have found that students who have attended these additional revision sessions in the past get so much from them, increasing their level of confidence, motivation and hopefully their examination outcomes.

Please sign and return this letter and reply to the school office before Friday 20th March.

If you have any queries, please do not hesitate to get in touch.

Kind regards,

Mr S Young

Vice Principal
