1st May 2026,

Dear Parent/Guardian,

Year 12 pupils will move to official study leave from today. This means that their normal timetable has been collapsed and they are only required to attend exam classes as agreed with their subject teacher. Attached below is a revision timetable which shows additional intensive revision sessions which have been scheduled, often the day before a GCSE examination in each subject. Attendance to all relevant sessions up until the day of their actual exam will support pupils to maximise outcomes. AM Sessions are 9 – 10.45 and PM sessions are 2 – 3.10pm.

If pupils have not received a copy of their individual examination timetable, hard copies are available at the school office. They should familiarise themselves with exam dates, times and the location of each examination. From the 20th- 29th May, timetabled lessons and revision sessions will change slightly to accommodate the KS3 exams.

When pupils come into school to attend a revision session, it is necessary for them to wear their full school uniform and sign in and out at the front office. If pupils arrive before a revision session begins, they must wait in the canteen and not wander corridors. Any child who requires school transport at the end of the school day can avail of the 6th Form Study room if they need somewhere to go.

When in school to complete an examination, they must strictly adhere to the following rules:

- Full school uniform **MUST** be worn.
- Pupils must be fully informed regarding the location and time of their examinations.
- Mobile phones or digital watches are not permitted in the examination hall.
- Pupils must come fully equipped for all examinations - this will include pens, pencils, ruler, rubber, sharpener, and mathematical equipment.
- Water bottles must have the labels removed.

On behalf of all the teachers and staff at Lisneal College, I would like to take this opportunity to wish your child all the best for their future. At the end of June, we plan to have a celebration for year 12 pupils, the details of which will be forwarded nearer the time and when all examinations have been completed. GCSE results will be distributed on Thursday 20th August 2026. Please feel free to contact school at any time during the coming weeks if you have any queries.

Kind Regards,

Mrs. Mullan
Principal
