29<sup>th</sup> June, 2026

Dear Parent/Guardian,

A copy of your child's year 8 summative report has been uploaded onto the SIMs App. This report outlines the progress your child has made in each of their learning areas since September 2025. The subject teachers have highlighted pupil strengths but also areas for development. Please take time to read this report with your child and discuss with them the need to work to their full potential throughout the school year.

Your child has now completed their first year at Lisneal College and we hope that they have settled in well. As they now move into year 9, they should have a thorough understanding of what is expected and we hope that they will embrace the new academic year with enthusiasm and excitement. Please do not hesitate to contact myself or any member of staff if you have any queries or concerns.

I wish you and your child a restful and enjoyable summer break. **Year 9** will return to school on **Wednesday 2<sup>nd</sup> September, 2026**. I would like to take this opportunity to wish you and your child a restful and enjoyable summer break.

Thank you for your support throughout the year,

Kind Regards,

*Chris Wilson*
