7th of September 2026

Dear Parent/Guardian,

The year 12 Parent/Teacher Evening will take place on Monday 14 September 2026 from 3.30pm to 5.30pm. As year 12 is such an important stage in your child's education, we would greatly appreciate your attendance at this event. This will provide an opportunity to meet with subject teachers and discuss your child's progress, as well as how we can work together to help them achieve their full potential. Staff will be happy to discuss your child's progress to date; address any concerns you may have and highlight the steps that can be taken during this crucial year to maximise achievement.

Please be advised that the access gate to the lower back playground will be opened for parking from 3.20pm onwards, once the buses, taxis and pupils have left the site. We kindly ask parents not to arrive before this time to help avoid congestion. Most teachers will be in their usual classrooms. However, teachers who are normally based in the mobile classrooms will meet with parents in the Assembly Hall. A list of staff locations will be available on arrival.

I would also like to draw your attention to the information on the reverse of this letter regarding the GCSE mathematics and English support classes that have been arranged for year 12 pupils. These classes will begin on Monday 14th September 2026, and we expect pupils to attend weekly in preparation for their upcoming GCSE examinations and assessments.

We look forward to seeing you at the Parent/Teacher Evening and thank you for your continued support.

Yours sincerely,

Miss V Bradley
