Dear Parent/Guardian

Our school is delighted to offer Halloween School for Year 11 and Year 12 students on **Monday 26th October 2026**, providing an excellent opportunity to prepare for the upcoming November module examinations.

These sessions have been designed to give students valuable additional support from their teachers, helping them to consolidate their learning, clarify any areas of difficulty, and develop effective revision strategies. Attending Halloween School will enable students to build confidence, strengthen their subject knowledge, and maximise their performance in their examinations.

To create a more relaxed and informal atmosphere, students may wear their own clothes. They will also have permission to visit local shops during the break period. Please note that the school canteen and school bus service will not operate on these days, and students should make alternative arrangements where necessary.

The sessions will run as follows:

Session	Year 11	Year 12	Year 12
AM (9am-11.30am)	English	Maths	Single Award Science-Dr Smyth's Class
PM (12.30pm-3pm)	Maths	English	Single Award Science-Dr Smyth's Class

If you would like your child to attend these sessions, please complete the reply slip on the reverse of this letter and return it to the school office.

We look forward to supporting our students as they prepare for success in their forthcoming examinations.

Yours sincerely

Mr S Young
